Section 3: Sales Avenues

Food and drink produced by a cottage food operation shall be sold directly to consumers for their own consumption and not for resale. Sales to retail stores, such as restaurants, grocery stores, or bakeries; to third party distributors for resale; or to third-party distributors that deliver products on your behalf are

prohibited. Sales of cottage foods are limited to within the state of Illinois. A cottage food operation may sell products outside of the municipality or county where the cottage food operation is located. A copy of your certificate of registration must be available upon request by IDPH and any local health department.

Indicate how you will sell your products. Check all that app	oly.

Section 5: Labeling

All cottage food products must be pre-packaged in the home kitchen. The food packaging must conform to the labeling requirements of the Illinois Food, Drug, and Cosmetic Act, and must contain the following phrase in prominent lettering: "This product was produced in a home kitchen not inspected by a health department that may also process common food allergens. If you have safety concerns, contact your local health department."

Special Labeling Opportunity for Local Ingredients

Are you using any ingredients grown or raised on an Illinois farm and purchased directly from the farmer? If so, you are entitled and encouraged to use the following terminology on your label: Illinois Grown, Illinois-Sourced, Illinois Farm Product
