5. DISCUSSION OF PLANNED COMMUNITY/SCHOOL EVENTS - SUMMER 2023

DCHC staff will be hosting school/sports physical events around Douglas County communities this summer. Information was sent out to all local superintendents, principals, school nurses, and school counselors about the events. We hope to reduce barriers of accessibility by hosting these events and need your help in promoting them to ensure they will be a success.

6. DISCUSSION OF DCHD 2023 SUMMER FOOD PROGRAM
The team at DCHD responsible for the oversight of the annual summer food program has come together and decided to change the way the summer food program is conducted this year. Traditionally, the DCHD has provided summer meals at sites within Douglas County allowing any and all students to come receive meals. However we have noticed that by offering delivery, we may be able to reach more students with the greatest need. We have sent out referral forms to school counselors and social workers to refer students who are currently participating in the free/reduced lunch program and may benefit from a weekly delivery of food this summer. We are looking for partner organizations willing to help pack weekly boxes for their communities once we have confirmed families' interest in participating!
